# Recall Details

---

## Description:

This recall involves DR Power Chipper Shredder with model number CS35050BEN. The model number is on the side of the unit. The Chipper Shredders are used for yard and garden clean up. The recalled chipper shredders have an orange body, a black motor on a black metal frame that has two wheels. DR and PROXL501 are printed on the motor.

## Remedy:

Consumers should immediately stop using the recalled chipper shredders. DR Power Equipment is contacting all known purchasers and automatically sending them a repair kit with installation instructions. Consumers will also be provided with a small sticker with letters "NF" to place on the unit's data tag to indicate that the scroll has been replaced. Consumers not wishing to make the repair themselves will be directed to a servicing dealer to make the free repair for them, including transportation to and from the dealer.

## Incidents/Injuries:

The firm has received six reports of the chipper shredders ejecting pieces of metal. No injuries have been reported.

## Sold At:

Authorized DR Power equipment dealers nationwide and online at [www.drpower.com](http://www.drpower.com) from September 2019 through September 2022 for about \$3,800.
